

BURN IT DEEP

Leviticus 6:10

The FIRE is about the PASSION for God
The FIRE is the HOLINESS of God
The FIRE is the SANCTIFYING GRACE of God
The FIRE brings the ZEAL for God
The FIRE brings DIVINE ENERGY to live for God

The moment the FIRE of the Holy Spirit is doused

...our spiritual life is weaken

...our prayer life is weaken

...our relationship with people are affected

...we live powerless Christian lives

What KILLS the FIRE?

NEGLECT

Ashes, Burnt Offerings – our yester year experiences

Our old ashes have covered the altar of God in our lives.

Until we remove it there will be NO FRESH FIRE!

What KILLS the FIRE?

NEGLECT

Add wood to the fire – ourselves as the burnt offering

*We need to offer to God
our time, our talents, our treasures
on the altar of God
so that the fire will not burn out.*

We are the **keepers of the flame.**
And we have the ability to **STOP** the fire when
we fail to cultivate our relationship with God

WHAT DO WE DO WHEN YOUR FIRE DIES?

Arrange wood on the altar

Lay your life on the altar

Encounter God again

It is God who ignites the FIRE

God doesn't need our help

He needs our DESIRE, our SURRENDER

*If you will obey, God will act
If you will worship, God will manifest
If you will set the altar, God will send His FIRE*
